LIMA CAMPUS THIS WEEK

OSU/LTC

Student Activities Publication

SPECIAL FALL PREVIEW ISSUE

This special issue previews many of the upcoming fall programs and also introduces you to this weekly publication. Hopefully, most of you have already been involved, or are planning to involve yourselves on campus. Both John Stroia (Coordinator of Athletics and Recreation- Cook Hall 105) and I are trying to serve the needs of students. Let us know what interests you have and don't be afraid to get involved in planning and expanding our campus events.

and Cultural Programs

WHAT'S THERE TO DO ON THIS CAMPUS?

This weekly newsletter hopefully can answer the basic question of, "What's happening on the Lima Campus?". Available each Monday, students are encouraged to read this informative and easy to read publication. In each issue, local programs of interest, PLUS campus social, cultural, athletic and special educational programs are listed. While no one can go to everything, at least you will be aware of what's going on. Don't become the person who always says, "I didn't know about that." Get into the habit of picking up The Lima Campus: This Week each Monday. It can be found in every lobby (in the brown wooden boxes) and also in the Student Lounge (GA015), GA205, Commons and the Cafeteria. Keep informed and GET INVOLVED.
